Notes

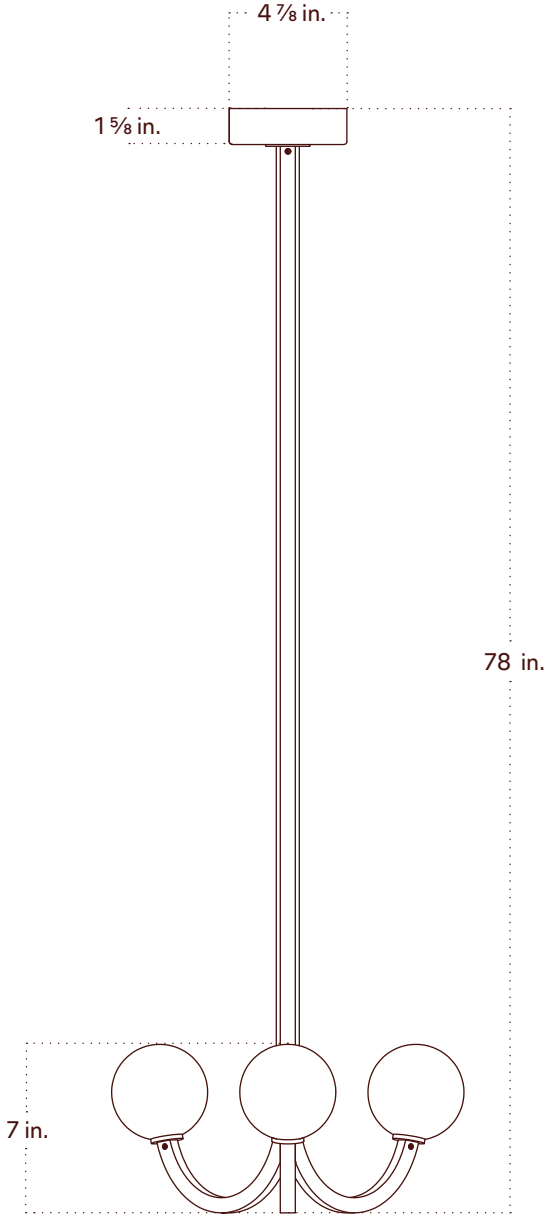

1. Edition of 10.
2. This fixture can be installed on a vaulted or sloped ceiling.
3. The LED lifetime is 50,000 hours.
4. The driver, (class 2 power unit) is included with the fixture and can be installed inside of the J-box with a minimum depth of 1 ½" or remotely.
5. This fixture is designed so the LED board can be replaced when it reaches its lifetime.
6. This fixture has handmade elements and may exhibit variability within the same piece. These variations are inherent in the production process and are not to be considered as defects. We do our best to maintain a consistent product while honoring handmade craftsmanship.
7. The minimum OAH for this fixture is 17", and the maximum with no seam is 78".
